

MENTOR PROGRAM RELEASE

Sky Ranch is fortunate in having a national group whose members are assigned one or two boys in residence at the Ranch with whom they correspond and offer support throughout the boy's placement. In addition, they send cards and small gifts for special events (birthday, holidays, etc.). These people are give a "fact sheet" on the boy which includes name, birthdate, age, hair and eye color, clothing sizes, hobbies and favorite foods and activities. If you would like your boy to have such a mentor, please authorize below.

I give my permission of the above-named boy to participate in the mentor program established by Sky Ranch for Boys.
